Defendants request that this Court permit an additional four days, up to and including May 27, 2005, to file their Motion to Affirm The Decision of the National Oceanic and Atmosphere Administrations and In Opposition to Plaintiff's Motion for Summary Judgment, and their accompanying memorandum, together with Defendants' Statement of Disputed Facts. After Defendants filed these pleadings, May 23, 2005, unfortunately they discovered that a few additions and corrections to their brief should be made.

Counsel for Plaintiff kindly has no objection to this extension. The date for Plaintiff's Reply would also be extended, up to and including June 27, 2005.

Respectfully submitted,

MICHAEL J. SULLIVAN
